December 2022,

Dear Pot O' Gold Ticket Purchaser:

Thank you for your support of Toronto's Irish Community and Cultural Groups with your purchase of a 2022 Pot O' Gold Lottery ticket and congratulations to all of our 2022 winners to date. We have completed the 2022 Draws.

Enclosed is a list of winners from 2022 and the Community Grant Recipients information. All draws took place live on the Hugo Straney Irish Radio Show – Sunday mornings between 10 am and 11 am on 1540 AM or online at [www.chinradio.com](http://www.chinradio.com).

We have a BIG change in 2023 – there will not be a Car option for the grand prize, due to inflation and the risk of availability the grand prize will now be \$15,000 cash. There will be 25 Draws in 2023 between January 29 and December 31 with the 2023 Pot O' Gold prizes still totalling \$50,000 including cash prizes over \$1,200, trips to Las Vegas and Orlando, Florida outfitted by Sean and Karen Murphy of Kemptville Travel

2023 Tickets are \$100 each and also includes a free membership to the Irish Cultural Society (a min \$10 value). The membership will be a last time offer in 2023. These tickets make excellent Christmas gifts for family and friends. It may be harder to get tickets in person but we have arranged easier ways to pay for your ticket. Working with your ticket seller, so they can provide you with a ticket number you can pay for your ticket via e-transfer. Your ticket seller can provide that information to you.

We have listed some ticket sellers for the 2023 Pot O' Gold please note that you may not see your seller as some previous sellers have opted to retire from selling. If your usual ticket seller is not listed, please feel free to contact me directly or another seller you may know to complete your purchase.
